

**MassMutual is proud to introduce the
LifeBridgeSM Free Life Insurance Program.**

Through LifeBridge, the Massachusetts Mutual Life Insurance Company (MassMutual) insures the lives of qualified working people for the benefit of their children. A 10-year term life insurance policy, with a death benefit of \$50,000, is provided. If you die during the 10 years of coverage, the \$50,000 is paid into a trust administered by the MassMutual Trust Co., FSB, a wholly owned stock subsidiary of MassMutual, and used to cover educational expenses of your dependent children. MassMutual pays the premiums

You are eligible to apply for the program if you are:

- Between the ages of 19 and 42;
- The parent or legal guardian of one or more dependent children under age 18;
- A permanent, legal resident of the United States;
- Currently employed – either full or part time – with a total family income of not less than \$10,000 or more than \$40,000 annually; and
- In good health, as determined by MassMutual's underwriting guidelines.

You are not eligible to apply for the program if you:

- Have been diagnosed with heart disease, cancer, HIV or Type 1 Diabetes;
- Currently abuse drugs or alcohol or have abused them within the last 10 years; or
- Are currently on probation.

Remember, there's no time like the present to plan for your children's education. Take advantage of this free program NOW.

If you are eligible and would like to apply at the Community Rebuilding Fair on September 28, please contact Tom Fiske, MassMutual, at (800) 767-1000 ext. 22051.

You will be notified when MassMutual representatives will be available to assist you with the application process. At that time, medical professionals will also be available to take blood and urine samples to confirm your health status. All financial and medical information will be kept strictly confidential and used only to determine your eligibility for LifeBridge.
